Subject Index

BUYER BEHAVIOR

Complaint Management

"Practicing Best-in-Class Service Recovery," Brown, Stephen W., V9N2, SUM00, Page 8, Forward-thinking firms leverage service recovery to increase loyalty and profits.

Consumer Behavior

"Brand Waves: Building Momentum Throughout the Ownership Cycle," Farquhar, Peter H., V9N2, SUM00, Page 14, Lasting brands must continually gain consideration and get credit with customers.

"Carrot King of Kern County, The," Grimm, Bob, V9N2, SUM00, Page 10, Turning the peeled baby carrot into a new food sensation is only one of the marketing achievements at Grimmway Farms. An interview with president and CEO, Bob Grimm.

"Customer Experience on the Web," Wyner, Gordon A., V9N4, WIN00, Page 6, It looks different to the customer and more difficult for the provider to manage.

"Customer's Burden, The," Wyner, Gordon A., V9N1, SPR00, Page 6, It's not easy being a customer. Providers should avoid making it harder.

"Defining Moments: Segmenting by Cohorts," Schewe, Charles D.; Meredith, Geoffrey E.; Noble, Stephanie M., V9N3, FALL00, Page 48, Coming of age experiences influence values, attitudes, preferences, and buying behaviors for a lifetime.

"Horizon's Organic Growth," Retzloff, Mark, V9N4, WIN00, Page 10, Horizon Organic Dairy spent nine years developing its brand. Now it hopes to leverage that asset to sell products in sync with the natural foods trend. An interview with Mark Retzloff, senior vice president, corporate development.

"Importance of Expectations, The," Larson, John A., V9N4, WIN00, Page 4, Customers are continually raising the bar.

"Information Exchange," Wyner, Gordon A., V9N3, FALL00, Page 6, It is better to give **and** receive.

"Meaning of Money, The," Wyner, Gordon A., V9N2, SUM00, Page 6, New ways customers relate to money will shift priorities and impact purchase behavior.

"Valuing a Brand's Advocates," Schultz, Don E., V9N4, WIN00, Page 8, The added value for a brand lies in its customers.

Organizational Buying Behavior

"'Atomize' Your Customers' Experience," Oliva, Ralph A., V9N3, FALL00, Page 54, Information technology puts excess capacity of all types to work.

CHANNELS OF DISTRIBUTION, LOGISTICS

"Brainstorm Your E-business," Oliva, Ralph A., V9N1, SPR00, Page 55, You'll find potential woes where the money goes.

INDUSTRIAL, BUSINESS-TO-BUSINESS MARKETING

"3MC: 'B2B' Facilitator," Reene, Michael W., V9N1, SPR00, Page 12, With business-to-business e-commerce taking off, firms such as Third Millennium Communications Inc. are carving a niche by helping established businesses. An interview with CEO Michael W. Reene.

"Brainstorm Your E-business," Oliva, Ralph A., V9N1, SPR00, Page 55, You'll find potential woes where the money goes.

"Converging Economies Define the Business Future," Oliva, Ralph A., V9N4, WIN00, Page 42, Thinking 'new versus old' economies misses what's really happening.

"For the Sales Function, Is E-commerce Friend or Foe?" Fram, Eugene H.; McCarthy, Michael S., V9N3, FALL00, Page 24, Indeed, the death of the salesman is greatly exaggerated.

"How to Build a Billion Dollar Business-to-Business Brand," Schultz, Don E.; Schultz, Heidi F., V9N2, SUM00, Page 22, Best practices in branding involve organization and senior management support, alignment with corporate strategy, value propositions, and measurement.

"Pursuing Risk-Sharing, Gain-Sharing Arrangements," Thomson, James B.L.; Anderson, James C., V9N2, SUM00, Page 40, Broadening market exchange with such arrangements is a progressive market strategy for suppliers to pursue selectively.

"Ride or Drive?" Oliva, Ralph A., V9N2, SUM00, Page 58, Web 'hub wars' will sharpen a business marketer's dilemma.

Organizational Buying Behavior

"Challenge of Global Customer Management, The," Montgomery, David B.; Yip, George S., V9N4, WIN00, Page 22, Companies need to respond to rising customer demands for global relationships.

Relationship Marketing

"'Atomize' Your Customers' Experience," Oliva, Ralph A., V9N3, FALL00, Page 54, Information technology puts excess capacity of all types to work.

"Converging Economies Define the Business Future," Oliva, Ralph A., V9N4, WIN00, Page 42, Thinking 'new versus old' economies misses what's really happening.

"Pursuing Risk-Sharing, Gain-Sharing Arrangements," Thomson, James B.L.;

Anderson, James C., V9N2, SUM00, Page 40, Broadening market exchange with such arrangements is a progressive market strategy for suppliers to pursue selectively.

"Ride or Drive?" Oliva, Ralph A., V9N2,SUM00, Page 58, Web 'hub wars' will sharpen a business marketer's dilemma.

INTERNATIONAL, GLOBAL MARKETING

Cross-Cultural Marketing

"Invisible Global Market, The," Mahajan, Vijay; Pratini De Moraes, Marcos V.; Wind, Jerry, V9N4, WIN00, Page 30, With 86% of the world containing hidden markets, marketers need to take action.

Global Marketing Structures

"Challenge of Global Customer Management, The," Montgomery, David B.; Yip, George S., V9N4, WIN00, Page 22, Companies need to respond to rising customer demands for global relationships.

"Invisible Global Market, The," Mahajan, Vijay; Pratini De Moraes, Marcos V.; Wind, Jerry, V9N4, WIN00, Page 30, With 86% of the world containing hidden markets, marketers need to take action.

MARKETING & SOCIETY, MACROMARKETING

Environment

"Horizon's Organic Growth," Retzloff, Mark, V9N4, WIN00, Page 10, Horizon Organic Dairy spent nine years developing its brand. Now it hopes to leverage that asset to sell products in sync with the natural foods trend. An interview with Mark Retzloff, senior vice president, corporate development.

Legal Issues

"Corrective Advertising," Shapiro, Barry R., V9N1, SPR00, Page 58, An FTC ruling gives the makers of Doan's Pills a headache.

"Covenants Not to Compete," Garay, Erica B., V9N2, SUM00, Page 61, Courts are willing to enforce non-compete agreements given at the time of the sale of a business.

"Domain Name Piracy and Trademark Infringement," Butera, Celeste M., V9N3, FALL00, Page 58, Federal law provides strong remedies to companies that own trademarks when others use confusing domain names.

"Privacy, Please!" Savino, William M.; Smirti, Jr., Stephen J., V9N4, WIN00, Page 46, Marketing and advertising executives must take note of rising concerns about privacy.

Generational Marketing

"Defining Moments: Segmenting by Cohorts," Schewe, Charles D.; Meredith, Geoffrey E.; Noble, Stephanie M., V9N3, FALL00, Page 48, Coming of age experiences influence values, attitudes, preferences, and buying behaviors for a lifetime.

Public Policy and Marketing

"Corrective Advertising," Shapiro, Barry R., V9N1, SPR00, Page 58, An FTC ruling gives the makers of Doan's Pills a headache.

"Domain Name Piracy and Trademark Infringement," Butera, Celeste M., V9N3, FALL00, Page 58, Federal law provides strong remedies to companies that own trademarks when others use confusing domain names.

"Privacy, Please!" Savino, William M.; Smirti, Jr., Stephen J., V9N4, WIN00, Page 46, Marketing and advertising executives must take note of rising concerns about privacy.

MARKETING COMMUNICATIONS

"Branding on the Internet," Chiagouris, Larry; Wansley, Brant, V9N2, SUM00, Page 34, There is a way to put old economic rules and models to work on the Internet.

"Defining Moments: Segmenting by Cohorts," Schewe, Charles D.; Meredith, Geoffrey E.; Noble, Stephanie M., V9N3, FALL00, Page 48, Coming of age experiences influence values, attitudes, preferences, and buying behaviors for a lifetime.

"Horizon's Organic Growth," Retzloff, Mark, V9N4, WIN00, Page 10, Horizon Organic Dairy spent nine years developing its brand. Now it hopes to leverage that asset to sell products in sync with the natural foods trend. An interview with Mark Retzloff, senior vice president, corporate development.

"How to Build a Billion Dollar Business-to-Business Brand," Schultz, Don E.; Schultz, Heidi F., V9N2, SUM00, Page 22, Best practices in branding involve organization and senior management support, alignment with corporate strategy, value propositions, and measurement.

Advertising

"Corrective Advertising," Shapiro, Barry R., V9N1, SPR00, Page 58, An FTC ruling gives the makers of Doan's Pills a headache.

"Deciphering the Internet Advertising Puzzle," Krishnamurthy, Sandeep, V9N3, FALL00, Page 34, What should you know about banners, e-mail, and sponsorships to develop an advertising campaign?

"Iridium Story: A Marketing Disconnect?, The," Olson, Eric M.; Slater, Stanley F.; Czaplewski, Andrew J., V9N2, SUM00, Page 54, Market pioneer Iridium was a brilliant idea surrounded by multiple mistakes.

"Privacy, Please!" Savino, William M.; Smirti, Jr., Stephen J., V9N4, WIN00, Page 46, Marketing and advertising executives must take note of rising concerns about privacy.

Direct Marketing

"Optimize Your E-mail Marketing Campaigns," Han, Peter K.; Reddy, Vasu, V9N4, WIN00, Page 50, To maximize the benefits of opt-in e-mail's high response rates, marketers must adopt best practices.

Public Relations, Publicity

"Recovery Strategies for Sports Marketers," Burton, Rick; Howard, Dennis, V9N1, SPR00, Page 42, The marketing of sports involves unscripted moments delivered by unpredictable individuals and uncontrollable events.

Relationship Marketing
